# YESHIVAS HAGRA MORNING SEDER

## Morning Halacha

**Rav Shimon Conway**

**8:50-9:10 AM (S, T, Th)**

*Kitzur Shulchan Aruch (Hilchos Berachos)* from the text, then broadening the discussion to examine the background of the halachah, the view of the *Mishnah Berurah*, contemporary issues, and how these *halachos* apply in practice in our daily lives.

## Beginner Level Gemara

**Rav Dovid Greenwald**

**10:15-11:30 AM (S-Th)**

Interactive, beginner-level *gemara* focusing on *peshat*, geared for even someone who has minimal or no *gemara* background. The *shiur* begins with a few minutes of *halachah*.

## Intermediate Level Gemara

**Rav Avrohom Jacobson**

**9:30-11:30+ AM (S-Th)**

If you want to learn how to learn and sharpen your analytical skills in a very *geshmak chaburah*, this is *the shiur* for you! No spoon feeding...In this *shiur*, you'll be challenged and forced to think through each step of the *sugya*, learning Rashi, Tosafos, and sometimes other Rishonim and Acharonim.

Rav Jacobson is clear and methodical, patient, and accessible. The format is preparation with a chavrusa and 3 weekly shiurim, plus chazarah after each sugya.

## Advanced Level Gemara

**Rav Yehudah Berenstein**

**10 AM—12:55 PM (varies, plus mussar once a week)**

This *shiur* provides an understanding of the *gemara* through the eyes of the *rishonim* and *acharonim*. It is designed for people who can learn the *gemara* independently but want a deeper understanding of its underlying issues. The *shiur* is given 4 days a week, with both weekly and monthly *chazarahs*. Written summary notes are provided to aid in the *chazarahs*.

## In-depth Halachah

**Dayan Solomon**

**12:15-12:55 PM (S, M, W, Th)**

Dayan Solomon is a master of *halacha* and a master *rebbe*, guiding the *chabura* step by step through his question-and-answer format, building on the foundations he lays based on prior learning. The Dayan's shiurim are engaging and fascinating. Each *shiur* has *mareh makomos* and is very participatory.

# TORAH SHIURIM

## EVENING SHIURIM

### Gemara Bava Kama

**Dayan Solomon 6:45-7:30 PM (M, W, Th)**

Join Dayan Solomon's vibrant *Bava Kama* shiur for the ultimate in clarity. Rashi, Tosafos, and *meforshim* are brought when needed. Very participative *shiur*.

### Advanced Level Gemara

**Rav Avrohom Adler 8:35-9:30pm (S, W)**

This *gemara* shiur, among the longest-running in RBS, is truly unique! The *shiur* provides working men with a rare opportunity to really “*shteig*” and grow in their learning through the guidance of an eminent *talmid chacham*.

The *shiur* is now learning *Maseches B’rochos* (7th perek). For each *sugya*, Rav Adler provides a thorough understanding of the *gemara* with *rishonim* and *achronim*.

### Wednesday Gemara Chaburah

**Rav Yehudah Berinstein 7:30-8:30 PM (W)**

This weekly *chaburah* focuses on another *iyun sugya*, delving in-depth with an aim to fully understand the intricacies of the *sugya*.

### Shmiras HaLashon

**Dayan Solomon 10:15-11:15 PM (Th)**

In-depth analysis from the source to *halacha lemaaseh*. *Chavrusa* preparation followed by a short *chaburah*.

### Dirshu Mishnah Berurah

**Rav Aron Ross 10:00 – 10:30 PM (S-Th)**

*Mishnah Berurah* according to the *Dirshu Amud Yomi* schedule.

## FRIDAY SHIURIM

There is a special *chashivus* to learning on a Friday, as most people are busy preparing for Shabbos and *kollelim* don't have regular sedarim.

### Gemara Maseches Shabbos

**HaRav Kornfeld 9:10-10:00 AM (F)**

In this in-depth and practical *gemara shiur*, the Rov brings multiple *shitos* from the *rishonim* on each *sugya*, and then brings down the practical *halacha* from the *Shulchan Aruch* and *Mishna Berura*. This once-a-week *shiur* moves at a slow pace.

### Friday Halachah Chaburah

**Rav Michael Glass 9:30-11:30 AM (F)**

This *chabura* aims to give a basic understanding of the main *sugyos* regarding pertinent *halachos* and not just knowing the basic *halachah*.

*Mareh mekomos* are provided for *chavrusa* learning of the *gemaros* and *mefarshim*, followed by a *shiur*.

The *shiur* aims to clarify the *sugya* and to add further understanding. During the second part of the *shiur*, some of the basic *halachos* that arise from the *sugya* learnt that week are presented.
